**DESCRIPTION OF PRACTICE**

I am the owner and therapist at Reflections Professional Counseling. I provide individual, couples, and family counseling for clients with depression, anxiety, substance abuse, and trauma concerns, as well as other mental health struggles.

**DESCRIPTION OF EDUCATION AND EXPERIENCE**

I received a Masters of Arts in Professional Counseling from Central Michigan University in Mt. Pleasant, Michigan in May of 2016. In May of 2002, I received a Bachelor's of Social Work degree from Indiana University in Bloomington, Indiana. I spent 11 years working as a social worker before going back to school to pursue my Master's degree in January 2013. From May 2015 – May 2016, I completed internships with Saginaw Psychological Services in Saginaw, Michigan; and Women's Aid Services, Inc. in Mt. Pleasant, Michigan. I have also worked at Saginaw Psychological Services from May 2016 – June 2018 providing counseling services in resident substance abuse treatment, including facilitating groups in substance abuse, domestic violence, and trauma; as well as providing individual counseling in both residential and outpatient services.

I feel that counseling is a collaborative task; and am looking forward to working together with you to help you manage whatever difficulties you are dealing with at this time.
